The purchase item was handed over in flawless condition together with the keys and owner's manual. The electronic owner's manual, with its many advantages, is preferred over the printed version. A printed owner's manual can be ordered as a spare part at any time. The necessary procedure of breaking the vehicle in is known and understood. The corresponding instructions to follow in the owner's manual have been made clear. The authorised CFMOTO Motorcycles dealer instructed the customer on proper use. The warranty terms and conditions in this document are known and understood.

The authorised CFMOTO Motorcycles dealer informed the customer that the customer's data are processed for the purposes mentioned in the "Privacy Policy Information Sheet".

In order to comply with the applicable legal and regulatory requirements, it may be necessary for vehicle data (vehicle identification number, engine data, software information, mileage, sensor data, vehicle condition, maintenance condition, country of use, etc.) to be read out, processed and sent to the authorities responsible in pseudonymised form on request.

In the event of the sale of ownership to a third party or in the event of the transfer of the respective motorcycle to a third party, the customer is obliged to inform the respective third party of the processing of personal data by Pierer Industrie AG relating to the respective motorcycle. In the event of the sale or permanent transfer of ownership to a third party, the customer is obliged to deregister the motorbike with Pierer Industrie AG so that the new owner has the opportunity to register it for corresponding services.

MANUFACTURER'S WARRANTY

CFMOTO Motorcycles Distribution GmbH (hereinafter referred to as "CFMOTO Motorcycles") with registered office at Stallhofnerstraße 3, 5230 Mattighofen, Austria guarantees the owner of a CFMOTO vehicle that the material and manufacturing are free from defects in accordance with the current state of the art. Accordingly, CFMOTO Motorcycles guarantees that if the customer detects a material or manufacturing defect in a brand-new product, it will repair the defect free of charge within the warranty period specified on the delivery certificate (irrespective of vehicle mileage or operating hours) in accordance with the conditions and guidelines set out below. CFMOTO Motorcycles Distribution GmbH provides the warranty. CFMOTO vehicles are manufactured by Zhejiang CFMOTO Power Co., Ltd. with registered office at No. 116, Wuzhou Road, Yuhang Economic Development Zone, Hangzhou, China.

WARRANTY PERIOD

The warranty period begins on the day on which the vehicle is first put into operation. Any malfunctions or defects must be reported to an authorised CFMOTO Motorcycles dealer within the warranty period.

The period within which a warranty claim can be made depends on the model, which is specified in the delivery certificate. CFMOTO vehicles without a delivery certificate are not covered by the manufacturer's warranty.

The customer must report malfunctions or defects to an authorised CFMOTO Motorcycles dealer before the warranty period comes to an end in order to make a valid warranty claim.

SCOPE OF THE WARRANTY

The CFMOTO Motorcycles manufacturer's warranty is valid throughout Europe. Warranty claims must be made to an authorised CFMOTO Motorcycles dealer. The manufacturer's warranty is linked to the vehicle. If the vehicle is sold within the warranty period, the provisions shall remain in force and can also be claimed by the new owner subject to compliance with the respective warranty terms and conditions and warranty periods.

IMPORTANT NOTICE

The vehicle must be professionally serviced by an authorised CFMOTO Motorcycles dealer at the regular service intervals specified in the owner's manual for any warranty claim to be accepted. When the vehicle is brought in for a service, the service record must be entered properly and in full on the CFMOTO Motorcycles Dealer.net (service registration number). In the event of incomplete proof of service or if the service work is not carried out within the specified service intervals, the warranty is no longer valid.

WARRANTY TERMS AND CONDITIONS

CFMOTO Motorcycles shall be entitled to reject warranty claims if and insofar as:

- » The customer fails to have one or more of the services specified in the owner's manual carried out or has had it carried out later than specified.
- » The service and repair work performed on the vehicle was not carried out by an authorised CFMOTO Motorcycles workshop.
- » Service or repair work has been carried out on the vehicle that does not comply with the technical requirements, specifications, and instructions of the manufacturer.
- » The service or repair work carried out on the vehicle made use of spare parts that are not approved by CFMOTO Motorcycles, or the vehicle was operated with fuel, lubricants, or technical fluids (including cleaning agents) that deviate from the specifications set out in the owner's manual.
- » The vehicle has in any way whatsoever been converted, modified, manipulated or equipped with parts that are not part of the equipment expressly approved by CFMOTO Motorcycles.
- » The vehicle was stored or transported in a technically unsuitable manner.
- » The vehicle has been used contrary to its intended use.

The above-mentioned exclusions shall not apply if and insofar as the customer establishes that the defect in respect of which the claim is made is not attributable to the reason for the exclusion.

WARRANTY EXCLUSIONS

The following are excluded from the manufacturer's warranty:

- » Service parts such as spark plugs, fuel filters, oil filter elements, drive chains, sprockets, rear sprockets, air filters, brake discs, brake pads, footpeg rubber parts, tyres, and other rubber parts.
- » Lubricants (such as oils, grease, etc.) and technical fluids (such as battery fluid, coolant, etc.).
- » Inspection, adjustment, and other periodic service work, and all cleaning work.
- » Paint or corrosion damage that can be attributed to external influences, such as stone chipping, road salt, industrial emissions, or other environmental influences, or to improper cleaning (e.g. due to unsuitable care products).
- » All secondary damage brought about by the defect and any additional costs directly or indirectly caused by a claim or warranty case (such as for telecommunications, room and board, rental cars, public transportation, salvage expenses, towing expenses, overnight accommodation, etc.) as well as other financial losses (such as caused by downtime, loss of earnings, loss of time and similar matters).
- » Any aesthetic or acoustic phenomena that do not impair the usability of the vehicle at all or only to a minor extent (such as hidden or minor flaws in appearance, typical riding noises, and vibrations).
- » Signs of ageing (such as: the fading of painted or metal-coated surfaces).

WARRANTY CLAIMS

If the vehicle malfunctions, contact an authorised CFMOTO Motorcycles dealer. Warranty claims must be submitted to the warrantor by an authorized CFMOTO Motorcycles dealer before a repair or replacement is carried out. CFMOTO Motorcycles checks the warranty claim and decides at its own discretion whether and which defective parts or labour times will be covered by CFMOTO Motorcycles under warranty. Parts that are replaced under (implied) warranty become the property of CFMOTO Motorcycles without compensation. The authorised CFMOTO Motorcycles dealer commissioned to remove the defect is not entitled to make any legally binding declarations on behalf of CFMOTO Motorcycles.

If there is doubt as to whether a defect exists or whether a visual or material inspection is required, CFMOTO Motorcycles is entitled to request the defective part or to commission a CFMOTO Motorcycles representative to inspect the defect claimed. The customer is not entitled to a replacement vehicle for the duration of the inspection, repair or replacement.

There is no cover in terms of the warranty for parts replaced free of charge or for services covered by the warranty that were performed free of charge. For components that were renewed within the warranty period, the warranty claim ends with the expiry of the vehicle warranty.

IMPLIED WARRANTY

The customer's legal implied warranty entitlements arising from the sales contract concluded with the respective authorised CFMOTO Motorcycles dealer shall not be affected or limited by this manufacturer's warranty. In addition, any further contractual claims arising from the general terms and conditions of the authorised CFMOTO Motorcycles dealer shall remain unaffected and can only be claimed against the authorised CFMOTO Motorcycles dealer in accordance with the legal requirements.

BREAKDOWN (only for vehicles with combustion engines)

Customers and their vehicles can travel around Europe safely thanks to the CFMOTO Motorcycles Mobility Service, which is offered and developed together with a CFMOTO Motorcycles partner. The applicable conditions and benefits can be found on the CFMOTO Motorcycles website.

In the event of a breakdown, contact the CFMOTO Motorcycles partner immediately and do not make any other arrangements beforehand. When making the call, provide the following information:

- » The current location of the vehicle
- » The circumstances and cause of the breakdown, insofar as possible
- » The vehicle identification number (17 digits)
- » The license plate
